

## NERVO-SEXUAL DEBILITY.

Men, many of you in your very prime, when you should be enjoying all the pleasures of life, find yourselves broken down, in health and manhood, prematurely old. Then comes to you the trifling vexation of self-shame in early life and later vital excesses, and through the ignorance of the family physician in the treatment of these conditions. Are you a victim of sexual debility? If you are, Marquand is telling you if you are suffering from Vital Drains and Emulsions, Prematureness, etc., or if your health is impaired, you are nervous, tired and unquiet, etc., etc., etc. If you are not a victim of sexual debility, then let us hope and self-confidence. If you distrust your fellow-men, we want you to consult us and if your case is a curable one we will give you a free trial.

We have made a special study of the treatment of Nervous and Sexual diseases of men for many years and have been uniformly successful in our practice. The great secret of our success has been the uncompromising character and the uncompromising remedy in the treatment of every case, as many physicians do. Each case is treated on its merits; we first discover and remove the cause of most of the disease, and once this has been accomplished you will quickly recover and regain your manhood and a happy married life and a successful business.

We also cure Varicoles in 5 days, Stricture and Gleet in from 10 to 20 days, and all associated and dependent diseases. We give a written guarantee in every case.

Write your symptoms fully. It is unable to call our perfect system of home treatment is always successful.
